The contention is that the Deepak Kumar has been granted bail by the court below and four witnesses have been examined during the course of the trial and they have been not claimed identifying the petitioner at the time of occurrence or in the court. There are some more witnesses during the course of the remaining part of the trial.

Considering the nature of the offence and the fact that the petitioner was caught on chase, the course is not inclined to direct the release of the petitioner on bail.

Petition is dismissed.

The trial court has conclude the trial.
